The Campaign for the University of Oxford

The Manar al-Athar Research Project

The Manar al-Athar Research Project provides open access, searchable high-resolution images of archaeological sites through its website: www.manar-al-athar.ox.ac.uk. Covering Syro-Palestine/the Levant, Egypt, and Arabia, the website is the first to provide such material labelled in both Arabic and English for use in the Arab world, where many of the monuments are located. Your support is invaluable to the many thousands of people who will benefit from the website.

It is my preference that my gift supports:

- Manar al-Athar Research Project
- The Vice Chancellor's Fund (unrestricted gifts)
- A college*
- A museum/library*
- Another area*

* Please specify

Gifts received for the colleges from Americans for Oxford, Inc. will be transferred directly to the relevant College. Gifts received for the University from Americans for Oxford, Inc. are received by the University of Oxford Development Trust Fund (OUDT). Your kind gift will be held in the specific broad purpose fund whose purposes most closely correspond to the area you wish to support. Please see opposite for further details.
